

COLLEGE AGE HOSPITALITY

Members: Mike & Beth Grieser, Roger & Dorothy Mertz

In 2008. . .

Dorothy & Roger Mertz and Beth & Mike Grieser schedule meals approximately twice a month. Some small groups and Sunday school classes are involved in hosting and preparing meals.

This ministry connects with our EGMC mission. . .

1. Providing a welcome to worship God.
2. Inviting college-age individuals into fellowship so they feel a part of the larger group.

The vision for ministry in the coming year. . .

1. To continue to get groups involved in the meals so more people at EGMC get acquainted with college-age students.
2. To welcome more students to a place where worship and fellowship are meaningful.

Questions and concerns. . .

1. Find ways to welcome more college students as this year's group tends to be upper classmen who have been with us for 3-4 years.
2. To make sure it is understood that this is a college-age group ministry so those among us who do not attend college feel welcome.
